Goals for the new data system

- Improved access to data
- Modernized forms to bring in line with SHIP’s current program requirements
- More flexibility to make changes to the system when needed
Building the new data system

- Awarded contract with Booz Allen Hamilton in September 2016 for development, implementation, and operation of the new system.
- Began getting feedback from SHIPs and other stakeholders immediately.
- Will continue to conduct regular meetings with workgroup members throughout until full implementation.
