Name	Data Object	Description	Required Role	Created By	Created On	Last Updated On	List
Sample Search #1 - All Interactions in 2017	Interaction	This sample search provides basic information for all interactions (individual interactions, group outreach and education events, and media outreach and education events) with a date of interaction between January 1, 2017 and December 31, 2017.	SMP Director	Director, Sara (Sara.Director)	11/10/2016 04:11 PM	05/17/2017 12:17 PM	<input type="checkbox"/>
Sample Search #2 - Group Outreach Details in 2017	Interaction	This sample search provides detailed information for group outreach and education events with a date of interaction between January 1, 2017 and December 31, 2017 (which also includes data from these two dates). This search also includes the general information from the previous search, but without the column to indicate whether or not each individual interaction is a complex interaction.	SMP Director	Director, Sara (Sara.Director)	01/06/2017 10:25 AM	05/17/2017 12:18 PM	<input type="checkbox"/>
Sample Search #3 - Media Outreach Details in 2017	Interaction	This sample search provides detailed information for media outreach and education events with a date of interaction between January 1, 2017 and December 31, 2017 (which includes data from the start and end dates). It also includes the general information from the Sample Search #1, but without the column to indicate whether or not each individual interaction is a complex interaction.	SMP Director	Director, Sara (Sara.Director)	01/25/2017 04:19 PM	05/17/2017 12:19 PM	<input type="checkbox"/>
Sample Search #4 - Complex Interactions Details, Part 1	Interaction	This sample search provides all details for complex interactions EXCEPT for Subject details. A separate search is needed to view Subject details (Sample Search #5). Caution - Please note that Date of Interaction is not one of the search criteria for this sample search. This is to ensure that ALL complex interactions appear in the search results - not only the interactions that were entered into SIRS in a specific date range, but also interactions that have been updated since that date.	SMP Director	Director, Sara (Sara.Director)	11/10/2016 12:56 PM	01/06/2017 09:53 AM	<input type="checkbox"/>

- **Display Options Tab:** Run the search in Excel format.

The screenshot shows the 'Display Options' tab selected in a search interface. The tab bar includes 'Search Criteria', 'Columns', 'Organizational Unit', 'Assignments', 'Display Options', and 'Properties'. Below the tabs is a toolbar with icons for 'Save Search', 'Save As...', 'Shared Permissions', 'My Saved Searches', and 'Standard Search', along with a 'Search' button. The 'DISPLAY AS' section contains three radio button options: 'HTML', 'Microsoft Word', and 'Microsoft Excel (Prior to Excel 2007 max rows allowed = 65,536)', with the latter being selected.

Advanced Search: Team Member

Just like Interaction Advanced Searches, select “Search Criteria” and “Columns,” then save the search on the “Properties” tab and run it in Excel on the “Display Options” tab.

The screenshot displays the 'Advanced Search' configuration interface. At the top, there are tabs for 'Search Criteria', 'Columns', 'Organizational Unit', 'Assignments', 'Display Options', and 'Properties'. Below the tabs, there are icons for 'Save Search', 'Save As...', 'Shared Permissions', 'My Saved Searches', and 'Standard Search', along with a 'Search' button. The main configuration area is divided into four columns: 'Data Object', 'Data Element', 'Operator', and 'Value'. The 'Data Object' column contains 'Team Member' and '.Activity'. The 'Data Element' column contains a list of elements including 'Media Outreach and Educal', 'Mileage', 'Month', 'Non Reimbursed Mileage', 'Notes', 'Other SMP Activities', 'SMP Program Management', 'Total', 'Training Initial', 'Training Update', and 'Years'. The 'Operator' column contains a list of operators including 'EQUAL TO', 'NOT EQUAL TO', 'CONTAINS ANY', 'DOES NOT CONTAIN', 'IS NULL', and 'IS NOT NULL'. The 'Value' column contains the value '2016'. To the right of the 'Value' field, there is a checkbox labeled 'Add As Column' and an 'Add' button.

Data Object	Data Element	Operator	Value
