<td>Sample Search #1 - All Interactions in 2017</td>
<td>Interaction</td>
<td>This sample search provides basic information for all interactions (individual interactions, group outreach and education events, and media outreach and education events) with a date of interaction between January 1, 2017 and December 31, 2017.</td>
<td>SMP Director</td>
<td>Director, Sara (Sara Director)</td>
<td>11/10/2016 04:11 PM</td>
<td>05/17/2017 12:17 PM</td>
<td></td>
</tr>
<tr>
<td>Sample Search #2 - Group Outreach Details in 2017</td>
<td>Interaction</td>
<td>This sample search provides detailed information for group outreach and education events with a date of interaction between January 1, 2017 and December 31, 2017 (which also includes data from these two dates). This search also includes the general information from the previous search, but without the column to indicate whether or not each individual interaction is a complex interaction.</td>

</tr>
<tr>
<td>Sample Search #4 - Complex Interactions Details, Part 1</td>
<td>Interaction</td>
<td>This sample search provides all details for complex interactions EXCEPT for Subject details. A separate search is needed to view Subject details (Sample Search #5). Caution - Please note that Date of Interaction is not one of the search criteria for this sample search. This is to ensure that ALL complex interactions appear in the search results - not only the interactions that were entered into SIRS in a specific date range, but also interactions that have been updated since that date.</td>
